## Heavy Duty Mechanic

**Vanco Farms Ltd.** specializes in growing specialty potatoes, organic potatoes, premium cut tulips, and tulip bulbs. The farm is family owned and operated, and we proudly grow our products in the signature red soil of Prince Edward Island.

### Position Summary

The Heavy Duty Mechanic works out of our shop at 280 Crooked Creed Rd in Oyster Bed. They will work closely with our Agricultural Equipment Mechanic to perform regular routine and preventative maintenance as well as repairing break downs and malfunctions on farm vehicles and machinery.

### Position Responsibilities

- Checking for proper performance and inspect farm vehicles and equipment to detect faults and malfunctions
- Diagnosing faults or malfunctions using tools and testing equipment to determine extent of repair required
- Adjusting, repairing or replacement of defective parts, components or systems, using hand and power tools
- Testing repaired components for proper performance and to ensure that work meets safe operation requirements and manufacturers' specifications
- Clean, lubricate and perform other routine maintenance and preventative work on farm vehicles and equipment
- Maintain accurate records of vehicle maintenance and repairs
- Organization and stocking of tools and parts to ensure adequate on-hand supply of vital and commonly replaced components

### Skills and Abilities

- Basic knowledge of mechanical and/or electrical components
- Experience in the use of hand and power tools
- Experience performing maintenance on Heavy Duty vehicles, knowledge of Diesel engines and related components.
- Ability to read and understand operating manuals, wiring diagrams and schematics
- Ability to problem solve and troubleshoot
- Must be able to prioritize task effectively and have time management skills
- Ability to work with limited supervision, be a self starter, proactive and a team player
- Very detail oriented individual with good analytical skills
- Ability to apply common sense understanding
