## Seasonal Farm Equipment Operator

**Vanco Farms Ltd.** specializes in growing specialty potatoes, organic potatoes, premium cut tulips, and tulip bulbs. The farm is family owned and operated, and we proudly grow our products in the signature red soil of Prince Edward Island.

### Position Summary

The Seasonal Farm Equipment Operator position is a seasonal full time position during our fall potato harvest season that involves operating various farm equipment in the harvesting of our potatoes from various fields across PEI.

### Position Responsibilities

- Operate farm machinery such as tractors, harvesters and windrowers.
- Cultivate and harvest crops using equipment and machinery
- Load product into trucks in the field
- Attach farm implements such as plows, discs, sprayers, or harvesters to tractors, using bolts and hand tools.
- Comply with health and safety and food safety standards
- Other related duties as required

### Skills and Abilities

- Mechanical aptitude and previous experience working in farm operations would be considered an asset.
- Ability to work up to 6 days a week (weather permitting)
- Experience operating farm machinery including tractors, planters, harvesters and windrowers.
- Ability to work independently
- Effective communication and interpersonal skills

Vanco Farms strives to offer a competitive wage, to be negotiated. This is a seasonal position from early September to early November, hours are dependent on weather with flexibility to work days, evenings and Saturdays would be required.

*Interested applicants can forward their resumes to the attention of Jonathan Mosher, Human Resources Manager – [jonathan@vancofarms.com](mailto:jonathan@vancofarms.com) or drop them off in person to 9311 Trans Canada Highway, Mount Albion, PE*
